ELECTRIK PROS

Company Overview

Electrik Pros was founded in Miami in 2019 and has grown to become a premier electrical contractor in Florida, providing electrical services on projects from $500K to $40M+ in value.

We have completed jobs ranging from luxury retail stores and restaurants to warehouses and townhome developments.

Our mission is to offer personalized, technology-enabled electrical contracting services for commercial clients of all sizes. Whether you're managing a downtown office building or an industrial park - we have the most experienced and knowledgeable team for the job.
